Casa Algodaal was completed in 2009, and is built entirely of 100% natural and local materials. The living spaces are completely open plan, and being elevated upon the primary dune, it has a wonderful view of Tofo bay. It is 5 minutes walking distance to the center of Tofo, close to the market, dive centers, restaurants, cafes and bars. Despite it's central location, it retains a wonderfully private and hidden feel. It is great for families, couples or groups of friends.

Casa Algodaal is located on the southern end of Tofo beach, between Albatroz lodge and Casa Barry.
